W. Hollenbaugh

With deepest respect and sincere admiration we dedicate this 1941 Annual to Mr. Hollenbaugh. He has been with us for eleven years, and in that time the students of Scottsdale High School have learned to appreciate his ability, his sincerity and his kindness.

Mr. Hollenbaugh received his B. S. from Albright University, Reading, Pa. After his graduation he became a member of the faculty at Phillipsburg, Pa., for several years. To the deep regret of the female contingent of Scottsdale High, he had already met "the lady of his choice" before coming to Scottsdale. He is the father of two handsome young sons.

To Mr. Hollenbaugh we wish continued success in his chosen field of endeavor and every possible happiness.

The School Board is made up of the following members: Mr. Russell Eicher, Mr. Albert Schaffer, Mr. Eldin G. Daugherty, Mr. Frank Hardy, Mr. Albert Reynolds, Mr. Wendell Momyer, Mr. John M. Pyle, and Mr. Bulick. Mr. Russel Eicher is the president, Mr. Albert Schaffer, the vice-president, Mr. Eldin G. Daugherty, treasurer, and Miss Stella Hugus, the secretary.

The Board had included in their budget appropriations for a new lighting system for the high school but because of decreased tax millage, they were unable to make this improvement which is needed badly in the high school. The Board also furnished the school with fifty new desks and one hundred and fifty repaired desks.

Went to Greensburg

Mr. S. B. Bulick, Superintendent of Schools.

Mr. Bulick has been connected with the Scottdale school system for the last twenty years. From 1921 to 1924 he was a teacher and athletic coach; 1924 to 1927 he was a teacher and faculty director of athletics. Following these six years he became principal for one year, and for the past thirteen years he has been superintendent of schools.

Mr. Bulick attended Susquehanna University where he received his B. A. degree and the University of Pittsburgh where he received his M. A. degree.

Previous to his election at Scottdale he taught at Selinsgrove and Mt. Union.

Many and various are the duties and responsibilities of a superintendent, but Mr. Bulick never finds himself too busy to help any student or teacher who comes to him for advice.

We, the seniors, feel we shall be better Americans because of the influence and example of Mr. Bulick.

E. M. Byers

Mr. E. M. Byers, Principal.

For the past seventeen years Scottdale High School has been proud to call Mr. Byers a faculty member and principal. Of these seventeen years, the first five were spent as math and science teacher and the remaining twelve as principal and teacher of chemistry.

Mr. Byers received his B. A. degree from Pennsylvania State College and his M. A. degree from the University of Pittsburgh.

Before coming to Scottdale, Mr. Byers headed the department of agriculture at Kittanning High School for two years, and for five years he was supervisor of vocational education at Honeybrook Vocational School.

His keen comprehension of the students' problems and his sincere desire to help them has made him a principal in a million. His friends, both in the school and out, number many—a fact which may be attributed to his affable personality.

Mr. Byers has helped to make our high school years memorable ones.

Senior Class History

On September 8, 1937, we seniors entered the portals of dear old Scottdale High as green freshmen. We were pushed around, but we soon showed the upperclassmen we could take it. Many of our class members joined the Mendelssohn Choral Club, the Sigma Gamma, and the Junior Red Cross. A Hallowe'en Party was one of the outstanding activities of our freshman year.

As sophomores we made more headway toward our goal. Many of our girls were elected to the Tri-Hi-Y's, and many of our boys made their debut in the field of athletics. Two of our class members represented our high school in the County Forensic Contest.

Our junior year saw us stepping out. Our first activity was our class play entitled "Growing Pains." It proved to be a tremendous success. We were the envy of our underclassmen when we flashed our rings around. Finally, we wound up a perfect year with a lovely prom. Soft music, dim lights, beautiful girls, and handsome young romeos as their escorts made this night one that will be long remembered.

The most perfect year of all, our senior year, found us strutting with pride. Name cards soon began floating around in all our classes. It wasn't long till the photographer snapped our pictures. We were really surprised to see the fine piece of work he did. We held a few parties and dances which proved very successful. Then our senior play "Spring Fever" set the town talking. Finally June rolled around—class day, commencement, and the prom. We'll never forget you, dear old Scottdale High, and the pleasant times we've had within your walls.

Junior Class History

In September the juniors found themselves back in dear old S. H. S., ready to begin their first year as upperclassmen. After a short time, Steve Bybel, Abie Dayoob, Lois Murray, and Bob West were chosen as the class officers and the class was officially started on its third year of high-school life.

The juniors were well represented in extra-curricular activities. They sponsored one of the assembly programs at the Strand. "The Family Upstairs," which was their class play, was a successful affair from every aspect. An outstanding event of the year was the arrival of the class rings. How eagerly they were received and displayed!

Last, but not least, was the prom held for the seniors. It, too, was a grand success and already the juniors are looking forward to the time when they will be the dignified senior guests rather than the junior hosts. Just wait—it won't be long!

Sophomore History

Soon after entering high school for their second year, the sophomore class assembled to elect four of their members as officers. For president they elected Daun Grimm and for vice-president George Koch. Kathryn Hough and Edith DeWalt were selected for the respective office of secretary and treasurer. It was not long, however, until we lost our president because of his moving from Scottdale.

Although the sophomores have not initiated many projects of their own, the class has been well represented in the school activities. Many have participated in choral clubs, Sigma Gamma, high school orchestra and band, the Tri-Hi-Y clubs and Science Club.

Next year our chance will come to look down upon the underclassmen when we have a prom, produce a play, and get our class rings. Then we'll show them what we really are!

Freshmen Class History

For the first time in many years the enrollment of the freshman class was smaller this year than that of the preceding year. Although there were four fewer freshmen (Mr. Byers says, "Thank goodness!"), more out-of-town students were enrolled in this class than ever before. Fifty freshmen are enrolled in the general course, sixty-eight in the commercial and eighty-four in the academic.

Of course, the freshman class would not be complete without the usual officers. An election was held about two weeks after the first reports. The officers elected were: president, Howard Murray; vice-president, Jacqueline George; treasurer, Katherine Boyer; secretary, Pat Lockard. The election of officers was conducted like a public election with each section of the class representing a voting precinct. Even printed ballots were used.

The members elected to the Student Council by the freshman class were: Joe Sowinski, Lois Snyder, Marjorie Dick, and Tom Kiliany. Many freshmen are band members and many participated in basketball and football. The freshman class has not lagged in anything this year. Give us three more years and we shall do our share to put Scottsdale High School out in front.

JANUARY—Our church campaign helped me remember to go to Sunday school and church regularly . . . I had a grand time swimming in the "Y" pool even if it was a little c-c-c-old.

FEBRUARY—We certainly all received a great deal of benefit from the State Bible Study Course which lasted eight weeks . . . we also proved our ability to eat at our covered dish dinner . . . no slight mention should be made of that party at the American Legion Home, either.

MARCH—This month surely proved to be eventful with a bake sale, an amateur hour, and an alumni tea . . . after trying out the new bowling alleys, we all put our official O. K. on them.

APRIL—Everyone worked hard on our campaign to forward the club and to better our community . . . following their election, the new officers were formally initiated at California State Teachers' College.

MAY—We really showed our mothers what we could do at our annual mother and daughter banquet . . . the month was concluded with a hike and a farewell party for the senior members—and, gee! don't you hate to see them go?

Loci Hi-Y

Jim Byrne	President
Paul Storey	Secretary
Ted Hoff	Treasurer

The Senior Hi-Y was organized in November, 1940. At the first meeting a constitution was drawn up and the following officers were elected: President, Patty Lipps; vice-president, Jim Byrne; secretary, Bob Kenney; treasurer, Ted Hoff.

In November, the club members were formally initiated by the Greensburg Hi-Y. The initiation was followed by basketball and volleyball games and a banquet. In December, the Scottdale Hi-Y went to Greensburg and played basketball and volleyball.

Together with the other Hi-Y's, we distributed Christmas baskets to the needy. In the latter part of January, Patty Lipps resigned as president, and Jim Byrne automatically took this office. Paul Storey was elected vice-president.

The club is very active and is participating in gym sports with other Hi-Y clubs in this vicinity.

Junior Hi-Y

Harry Clark	President
Jim Hines	Secretary
Jack Hall	Treasurer

The junior Hi-Y started its year with the election of the following officers: President, George Phillips; Vice-President, Tom Skemp; Secretary, Harry Clark; Treasurer, Paul Parsons.

The club held its formal initiation in January. The first important project was sending a delegate to the Older Boys' Conference in Johnstown, which proved to be very successful, as many good ideas were brought back.

The junior Hi-Y, in cooperation with the other Hi-Y's, made some Christmas baskets for the Red Cross to distribute. Later, this same group organized a basketball and volleyball league.

At the beginning of the school term, plans for a Hi-Y club for freshmen and sophomore boys were made by Wayne Pahel, Y. M. C. A. secretary. The following officers were then elected: Jay Reynolds, president; Arthur Baughman, vice-president; Bernard Mahalile, secretary; and Claude Nist, treasurer.

Because of its late organization, the club has had little opportunity for many important projects. However, as we go into the 1941-42 school year, we hope to accomplish more in the service of our school and our community.

SIGMA GAMMA CLUB

The Sigma Gamma Club of Scottdale High School, which consists of twenty-two members, has had a very successful year. Although the membership is less this year than the preceding year, the club has been considered the best yet.

The first appearance in public of the club was on December 15, 1940. With the Menelsohn Choral Club we presented our annual Christmas cantata before a large assembly. Shortly afterward the club began to prepare a program to be presented before the Monday Music Club.

The club, although its membership may not reach as high a total as that of larger schools, has progressed throughout its four years of existence by leaps and bounds. Although we lose a number of our seniors and leading soloists this year, we are sure that the club will continue to be very successful.

SCOTTDAL E HIGH SCHOOL BAND

Hats off! the band is marching by! What would the words do without music? What would S. H. S. do without music? The second successful season has just been compelled by the Scottdale High School Band under the direction of Mr. George Hazen with Bill Kerr as president, Clarence Connors, vice-president, Marjorie Byers, secretary, Walter Edge, treasurer, and Jim Brooks, student director.

The organization has acquired a larger repertoire of music, including marches and overtures, thus expanding the scope of the library and also adding variety to the stellar performances.

The lively marches of the band also proved quite an addition to the enjoyment of the football games.

A few of our more talented players were selected to play in the Southwestern Band Festival of the Pennsylvania State Music Association at West View. Our organization also participated in the Westmoreland County Band Festival which was held at Mount Pleasant this year.

The main goal of the band this year has been the purchasing of uniforms. Numerous bake sales were held in conjunction with the P. T. A., a 1941 Plymouth was raffled off, and many other activities were engaged in to raise the necessary funds. The aid and interest manifested by the community of Scottdale in this project have made us proud of our band, proud of our institution, and proud of our city.

S. H. S. ORCHESTRA

The year 1940-41 for the S. H. S. Orchestra, under the direction of J. Mendel Hirst, proved to be the most successful in its history. The membership this year was reduced to twenty, but at the same time the quality reached a height never before achieved.

The group, in addition to playing for the class plays and at several chapel programs, appeared with the choral clubs in their annual Music Club program and in a broadcast over Station WCAE.

As has been the custom of this organization in the past, no officers were elected. Its business was carried out in conjunction with the other musical clubs and with a very marked success.

MENDELSSOHN CHORAL CLUB

The Mendelssohn Choral Club, under the direction of Mr. J. Mendel Hirst, is composed of fifty girls. This is the seventh year of activity for this organization.

The officers this year have been:

President	Isobel Porter
Vice-President	Christine Fusca
Treasurer	Florence Finnerty
Secretary	Jean Leffler
Librarian	Katherine O'Toole
Property Manager	Ann Leeper
Publicity Manager	Edith Sturgis
Accompanist	Betty McClain

Well! Well! Old Man Time has ticked off another year, but so have we ticked off another outstanding success in our fifth annual cantata, "Night of Holy Memories," and again we had the pleasure of appearing before the Monda Music Club.

I hope none of you missed tuning in on WCAE when we were broadcasting, because, I assure you, you missed something if you didn't hear our radio program. And, of course, you've seen those choral club pins our dignified seniors are wearing.

Besides all these activities, we presented a chapel, held our spring program, and had a joint party with the Mount Pleasant Choral Club.

THE BETA CHORAL CLUB

The Beta Choral Club has thirty-five members this year of which thirty one are new members. Although this is a smaller organization than the club of last year, the spirit of cooperation is very good and the enthusiasm and interests are excellent.

Although the Beta Choral Club did not participate in the annual Christmas cantata of the Mendelssohn Choral Club and Sigma Gamma, its members assisted in decorating and ushering for the event.

During the fall semester, the Beta Choral Club, together with the Mendelssohn Choral Club and the Sigma Gamma, held a dance in the Scottsdale Y. M. C. A. The members of the Mount Pleasant High School Choral Clubs were our guests.

The members have thoroughly enjoyed the association and activities of the club during the past year.

President	Paul Storey
Vice President	Marjorie Byers
Secretary Treasurer	Isobel Porter

The Council sponsored many worth-while activities during the school term. The first thing of importance which they did was to have a Tag Day in September to secure funds to aid our band in purchasing uniforms. The members of the Council did the soliciting.

Several interesting chapels were held—some of them having guest speakers. The seniors gave a Christmas program at the Strand, while the juniors entertained in February.

Money for chapels and for Scotties Revue subscriptions was collected by the members of Student Council.

New members of the Council, including vice-presidents of the various classes, entered into the activities of the organization shortly after Christmas.

Junior Red Cross

The Junior Red Cross began a very active year with the annual roll call to which many students contributed.

Collection of toys were made to send to children of Europe and South America for Christmas.

Many of the members knitted and crocheted for war relief, making sweaters, bonnets, etc.

At Christmas time a party was held for all the mothers and children who attended the Red Cross Clinic.

In February a valentine dance was held at the Y. M. C. A. in order to make money.

A birthday party was held in March and proved to be a great success.

Each month favors were sent to the Veteran's Hospital at Perry's Point, Maryland.

Junior Academy of Science

Scottdale High School Science Club—for students who are interested in all phases of science—was reorganized on November 19, 1940. After the adoption of a charter and the election of officers, each member chose a project in his special field and conducted research under the supervision of one of the sponsors.

Points of scientific interest were visited and guest speakers were heard during the year. An outstanding program was presented when Dr. F. N. Mangold spoke to the club on the subject "Blood Typing and Blood Transfusions."

Senior Class Play

Say, did you hear about the riot in the Strand Theatre on May 19th and 20th?—You're right! It was that hilarious little comedy number, "Spring Fever," the senior class play, you know. Scottie's Academy Award to Miss Oma Stoner for a marvelous job as director!

Oh! The play! Don't you remember?—It all centers around Mrs. Spangler's (Cissy Finnerty) rooming-house at Brookfield College during the week of Commencement. Her boarders are: Howard Brant (Jim Brooks), who is trying frantically to finish a term paper on zoology in time to receive his diploma the next day; Ed Burns (Jim Byrne), a chemistry student who has turned his room into a laboratory to experiment on a substitute for dynamite; and Vic Lewis (Richard Owens), an art student who does most of his work in the living room. The girls who tie up with these "fellas" are: Anne Purcell (Mary Louise Koch), who forgot to reserve rooms for her millionaire father and mother and so persuades Howard, whom she is quite interested in to give her father his room; Lou Herron (Corinne Pritts), a journalism student who frequently dashes in to use the typewriter and incidentally to see Ed; and Vivien George (Edith Sturgis), Vic's "one-and-only" who is also "that way" about Vic.

Howard's Aunt Maude (Neva Sparks), who has put him through college, arrives unexpectedly for the graduation exercises. When she learns of Howard's failure to pass his zoology course, she decides to "play up" to Prof. Bean (Harold Kritschgau), and persuades him to pass Howard.

In the meantime, Mr. Purcell (Paul Storey), having had his dignity and person rather ruffled by Vic and Ed, who mistake him for a Bolshevick art model, withdraws his offer of a new science building to the college. All this time haughty Mrs. Purcell (Shirley Harrison) is chasing around searching for her husband who she thinks has been kidnaped and Dr. Dixon, President of Brookfield (Bob Schildkamp), is worried sick about the school's loss of a new science building.

After several other complications and a fair number of explosions of Ed's dynamite, Howard receives his diploma; Aunt Maude and Prof Bean find their friendship is the "real thing;" Mr. Purcell decides to build the science building after all; and everyone lives happily ever after.

A well-chosen cast under the excellent direction of Miss Frances Hubler presented "The Family Upstairs" on April 8. The play, a clever little comedy, concerns a scheming mother who is trying to find a husband for her twenty-one-year-old daughter. Many complications arise through her schemes, but she finally solves all the difficulties, the daughter is married off, and happiness reigns again in the Heller household.

If laughs are an indication of the enjoyment of the audience, "a good time was had by all."

The cast was:

Mr. Heller	Harry Clark
Mrs. Heller	Gloria Davis
Louise Heller	Lois Murray
Willie Heller	Bill Greene
Annabelle Heller	Phyllis Miles
Charles Grant	Harold Akers
Mrs. Grant	Elaine Keefer
Herbert Grant	Jim Hines
Miss Calahan	Virginia Kane

High School Days

(Tune Memories)

High School Days
Carefree days
With friends in Scottdale High.
It's also true and teachers too,
It's time to say, "Good bye".
High School Days,
Happy days,
In the halls of S. H. S.
This tribute we bring,
With praise now we sing
Of our glorious high school days.

BETWEEN THE GOALS

Scotties Grid Season

William P. Lohr Jr.

After a weeks' training at the Presbyterian Camp, the Scotties began the grid season of 1940 with a burst of enthusiasm. Although defeats outnumbered victories, the team proved fairly successful. The defeat record showed losses to North Union, 12-0; Mount Pleasant, 14-6; Hurst, 33-0; Leechburg, 6-0; and Connellsville, 13-6. The win column included victories from Myersdale, 19-0; Pitcairn, 14-7; Dunbar, 32-0; and our neighboring rival, East Huntingdon, 20-0. The Scotties' offense for the season totalled 97 points. Their defense allowed the scoring of 85 points.

William P. Lohr, serving his fourth year as head mentor, with the able assistance of George Patterson whipped into shape the Blue and White grid men who represented Scottdale High School this year.

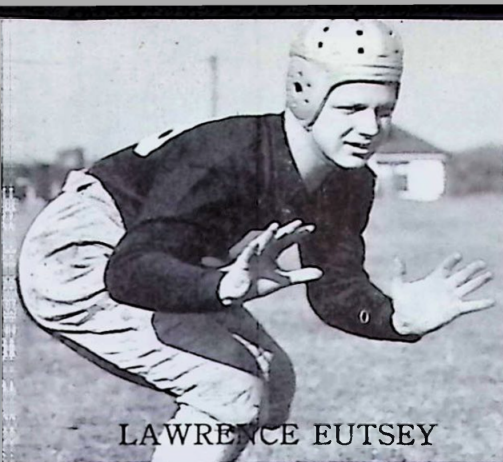

Next year's prospects are bright with the return of eight lettermen including three of last years' backfield men and five promising linemen who saw enough action this year to earn their letters. The lettermen of '40 were: seniors—Harold Kritschgau, James McClain, Oliver Groce, Bill Robbins, Don Zimmerman, Tom Nutter, Eugene Brindlinger, Tom Goff, Kenneth Lowstetter, and Jack Randolph; juniors—Carl Smith, Jim Nutter, Abie Dayoob, and Steve Bybel; sophomores—Lawrence Eutsey, Preston Evans, and Regis McGivern; freshmen—Bill Kunkle and Eugene Menes.

The lineup which usually started the game was: T. Nutter and Randolph at ends; Groce and Eutsey at tackles; Lowstetter and Brindlinger or Gula at guards; Dayoob at the pivot position; Menes, quarterback; Bybel and Kunkle at halfbacks; Kritschgau and McClain alternating at fullback.

The Basketball Season

SCOTSDALE 28—16
CONNELLVILLE 56—43

In the first league tilt Scottdale was invaded by a strong Connellsville quintet. Both teams proved evenly matched until the third period in which Connellsville scored 30 points which proved to be a lead the Scotties could not overcome. Scottdale traveled to the victors' floor for the latter of the two games. The Cokers again proved too strong for the Lohrmens.

SCOTSDALE 33—28
LATROBE 22—16

Scottdale's first win of the season was at the expense of the Latrobe basketekers. At the half the score was knotted at 19-19. But in the last half the Scotties' defense proved too

strong allowing only 3 points to be scored. Latrobe proved to be the stronger team in the second game. It was late in the third period before the Lohrmens' offense began to penetrate readily through the Latrobe defense. It was really the fourth period when the Scotties' offense began to click and nearly doubled their opponents' score.

SCOTSDALE 41—35
NORWIN 17—34

When Norwin invaded the Scotties' Armory they had a string of victories for six consecutive years. This year Norwin was rated as the dark horse of Section Nine which Scottdale well proved by their decisive victory. The Scotties' defense only yielded 4 points the first half and 13 points the second half. Norwin proved a more worthy opponent in the second engagement at the Norwin gym. This game resulted in a see-saw battle, first one team ahead then the other, with Scottdale finally coming out on top with one-point lead.

SCOTSDALE 25—24
GREENSBURG 22—8

Section Nine predicted champs, Greensburg, came to Scottdale with hopes of regaining a foothold in Section Nine race. Scottdale's accurate foul shooting proved too much for the county-seaters. Scottdale held the lead at the end of the first half by a score of 13-12. All of Scottdale's 13 points were fouls. Three more fouls and five field goals were deciding factors in this victory. On February 18 Scottdale made their poorest showing at the county seat, totaling only 8 points to Greensburg's 24. This defeat resulted in a tie with Greensburg for third place in Section Nine.

SCOTSDALE 26—26
UNIONTOWN 28—41

The return of Uniontown to Section Nine brought the two teams together for the first time in six years. Although Uniontown won by two points, the teams were very evenly matched throughout the contest. Scottdale's gallant attempt to overcome the four-point margin that Uniontown held at the end of the third period, fell short by two points that decided the game. This last period rally by the Scotties will long be remembered by the enthusiastic fans that witnessed the game. With hopes built high of retaliating the two-point decision they lost to Uniontown, the Scotties traveled to Uniontown for the second game. A decision in favor of Scottdale would have ruined Uniontown's hopes for a league championship team. The first two periods ended in a 12-12 tie, and it looked as if Scottdale would get its revenge, but when the final whistle blew, Scottdale was on the short end of a 35-26 score.

SCOTSDALE 31—26
JEANNETTE 27—41

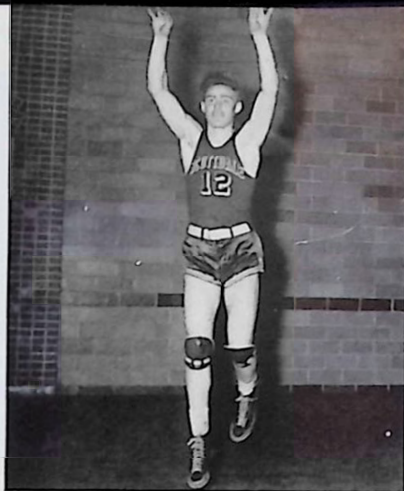

In the final game of the first half the Scotties were fighting gamely to hold their position at third place. The end of the half of this encounter with Jeannette found Scottdale trailing by 3 points. In the second half the Scotties rang up a total of nineteen points, which proved to be enough to decide the game. As February 25 rolled around Scottdale was ready to invade Jeannette for the final game of the season. This game was to be the deciding one for fourth place. If Scottdale won, it would end in a tie for fourth place. Scottdale lost this encounter as a result of a scoreless fourth period thus ending the season tied for fourth place.

The girls' volleyball team was organized last year near the close of the school term. Not much was accomplished, but this year we feel that we have done quite a lot.

Every girl has taken a part-paid membership card out at the Y. M. C. A. For the finishing payment of their cards, the girls have held candy sales, bake sales, and a skating party.

There are eighteen girls on the team. Although they are not well enough organized to arrange a schedule they had games with Connellsville and the Women's team of the Y. Through the coaching of Miss Geyer, the team has done well for its first full year.

We hope to do better next year.

Scranton, Pa. — Miss Pauline Levendosky, chief taster for the Shompurg Soup Co., has erected a spite fence between her home and that of Miss Emily Lubieniecki, fastest orange peeler in the state. Miss Levendosky claims that Miss Lubieniecki tried to poison her pet cat.

FAMOUS QUARTETTE HERE

Scottsdale, Pa. — Now making a personal appearance on the stage of the Strand Theatre here, is the famous quartette composed of Misses Hilda Nevi, Clara Puglio, Eloise Nicklow, and Anna Janicki.

The girls call themselves the "Four Misses and a Hit." They say they all miss but have failed to find someone to fill the position of "hit."

SILENT MOVIES RETURN

Kalamazoo, Mich. — The silent movies have returned. Miss Virginia Rizza has consented to play in silent movies, feeling that her beauty will make up for a non-speaking role.

Hollywood columnists, Helen Sefcheck and Genevieve Shandorf however, seem to feel that the whole idea is a "dilly."

SUPER SERVICE STATION OPENS

Louisville, Ky. — Miss Grace Showman opened her new service station here last week. She has as her able assistants Misses Madge Slaughter and Elva Jean Snowden. Miss Slaughter is skilled in the art of cleaning windshields and Miss Snowden specializes in changing tires.

Mr. Tony Sirriana, leading business man of the city says he likes the station because of the free dishes they give away.

ADVERTISE-MENT

Do you want to save a lot of excess trouble? Try our new invention! An egg beater with rubber tips to prevent their sliding around the bowl when in use. Write us, — Barbara Jordan and Florence Kensick, in care of Torrance Institution.

Sunday Aiello

The senior class of 1941 takes this opportunity to show its appreciation to Sunday Aiello for his excellent work in selling advertisements for the Scottie. Sunday, a student well-liked by everyone, did not attend school the second semester because as a Guardsman his presence was demanded at Indian-town Gap.

So, all together seniors, three cheers for Sunday!!!

In Every City One Store Is Recognized As the Pacemaker

Stores are like people! They have definite personalities! It is said that, above all, Troutman's is "progressive", "modern". This store is not satisfied to rest on tradition. It makes mercantile history day by day, year by year, and in the making sets a tempo for Connellsville. It is a recognized pacemaker.
